Subject: Tickets to your show

Dear Mr. Holden,

I'm a huge fan of your talk show, *Fridays with Tony*. I've been watching it ever since I was a child. Your jokes are so funny, and I particularly love the celebrity interviews you do every show. My dream is to become an actor myself, and I hope one day to be a guest on your show. Then, I'd really know I had made it!

I'm writing to you to ask if I could get two tickets to be in the audience for your show on August 8th. It's my grandma's birthday, and I want to surprise her by bringing her to see your show. She is my best friend, and she is also the one who introduced me to your show. She's an even bigger fan than I am, and it would 27 to see you in person.

Of course, I know seats in the theater are limited, so I'll understand if you can't help me this time. My grandma and I will still watch you every Friday night!

Sincerely yours,
 Jessica Tanner

Date: August 13, 2025
Subject: Family Connection
Dear Ms. Thurston,
We have never met, but I am a high school student from the United States of America. Recently, my class learned about family histories, and one of our assignments was to create a family tree. [27] my research, I discovered that my great-grandmother, who came to America from Sweden when she was 23, had a younger brother! I think that brother may be your grandfather, Olaf Thurston.
Even though I have finished my school assignment, I still want to track down my relatives living near you in Sweden. I was wondering if you have any information about your grandfather and his family that could confirm whether we are related or not. I would be very grateful for any help you can provide.
Sincerely, Jason Portman

Dear Jason,
Thank you for contacting me. It was a pleasant surprise to receive your email.
My grandfather Olaf would often talk about his sister, who moved away to America a few days after her marriage. He always regretted that he had lost touch with her. [28], near the end of his life, I tried to find your family, but I was unsuccessful. You must have great research skills to have found my email address!
I would be happy to answer any questions you have about this side of the family. I have two teenage children myself. They are very interested in American culture, so maybe you can exchange emails with them as well.
I have attached some family photos of my grandfather. If you have any of your great-grandmother, I would love to see them. I look forward to talking more soon.
Thank you again, Heidi

From: Alice Kramer
To: Jim Hammer
Date: October 22, 2025
Subject: Dog Adoption
Dear Mr. Hammer,
Hello. My name is Alice Kramer. I decided to contact you [27] seeing the story about your animal rescue center in the local paper. I was so impressed with the description of your building and your reasons for starting the shelter. I do a lot of volunteering in my local area, so I know it is hard work. Before I go on, I want to say thank you for the work you do helping those cats and dogs.
My kids have been asking me to get a dog for a while. I live with my 12-year-old daughter and an 8-year-old son, along with my husband. When we saw the photo of Missy, the black poodle in the article, it was love at first sight. I hope she is still available for adoption.
Please let me know what the next steps would be. I'm looking forward to your reply.
Sincerely yours, Alice Kramer

Subject: Re: Dog Adoption
Dear Ms. Kramer,
Thank you for your kind words. You are right—it is hard work. That said, I do feel lucky to have a job I love.
While I know you want to adopt Missy, unfortunately she [28]. However, I do have several other young puppies in need of good homes. I have attached some photos and general information about them to this email. If you are interested, please let me know as soon as possible.
Lastly, you should know that if you want to adopt a puppy from us, there are several things you must do. First, please let me know which family members will be responsible for taking care of the dog. Please note that a child under 10 years old shouldn't be the main person in charge of a pet. After you decide, we will visit your home and check if it is safe for a dog. If everything goes well, we would be happy to help you find your new best friend.
Thanks, Jim Hammer
